To our valued customers,

Greetings from Chicago! Just as we thought spring had sprung here with some downright balmy weather, we reverted back to the mean and witnessed a pretty good snowfall this week. It MUST have been because Mother Nature knew we had the holidays on the brain! Welcome to Arway-Long Grove's Bulk, Everyday and Holiday 2025 Catalog.

2025 is an exciting year for our company, as we are celebrating two important milestones. First, our legacy Arway Confections business is in its 75th year of operation. It's hard to believe that the largest U.S. retailer in 1950, Sears Roebuck & Co., was Arway's first customer, and gave our business the boost it needed to grow into the company it is today. The other exciting milestone is with our legacy Long Grove Confectionery business, which is celebrating its 50th anniversary in 2025. It's amazing to think that a business that began its operations in a nostalgic replica of a red schoolhouse is now operating out of an 85,000 square foot facility! These two businesses came together 12 years ago, and it was a great fit because of shared values, and a commitment to delivering the high-quality confections and unprecedented customer service we've become known for.

This catalog reflects a continued theme in our industry, which is the elevated and volatile dynamics of the cocoa market. Our Procurement team has done yeoman's work managing our chocolate contract costs and our Operations team continues to drive increased production efficiencies. While we have worked diligently to offset some of the blow of the rising costs of chocolate and continued inflation on other raw materials, overheads and labor, we are compelled to make adjustments to our pricing. Effective April 15 there will be a price adjustment on our products.

We want to assure you that we are doing everything possible to manage these challenges efficiently, seeking innovative ways to value-engineer our operations without compromising the values that have defined us for 75 years. We sincerely appreciate your understanding and loyalty during this time.

On behalf of Craig, and all the associates at Arway-Long Grove, we thank you for your continued partnership, and we will continue pushing to make your days just a little bit sweeter in 2025!
